

For the February 2nd spelling test the students will need to be able to correctly spell and name the SLE's below. Students will also need to be able to spell each word correctly. For each category the students will also need to give one example of how they follow/demonstrate this SLE at school.

On the back of this sheet you will find the full text of the SLE's to help with determining examples of how the SLS's are followed. We will be doing regular reviews in class as well.
