

Seven Continents

To learn the seven continents,
Think of the letter "A",
And when you're
down to only one,
An "E" will save the day.

There's Africa, Antarctica
Australia, Asia too!
The oceans run between them
with their waters deep and blue.

There's also two Americas,
North and South you see.
And now you're down to
only one-
Europe starts
with "E"
