

## Directions for the Charlotte's Web Poster

Your job is to go through the chapters of *Charlotte's Web* and choose your favorite quotes from each of the labeled characters.

- Neatly and carefully write the quotes in the correct sections. **Perfect spelling and punctuation** is expected!
- Write both the **chapter number and page number** after each quote you write.
- Select quotes from a wide variety of chapters.
- In the two bottom boxes **draw and color** pictures of two of the characters. Put some **nice detail and effort** into the drawings. Color with crayon or colored pencil. Color the other areas of the poster as well—making it look finished and appealing—such as borders. **No scribble coloring.**

**The poster is due no later than  
Monday, December 14th**

Remember, you are to choose “quotes” from the characters. They need to be the ***exact words*** from the story. The quotes should **not be too short** and must make sense when read without the other text.

For example: on page 149 Charlotte says, “Yes, it’s true.” This quote does not make sense by itself, and is **not adequate** for this assignment. The book is filled with wonderful quotes---**choose the best!** Have fun.

**Be NEAT—Perfect punctuation and spelling!**
