

Directions for “Cool School News” Homework Prep Work

With a family member write notes about someone you know who cares for and loves people in need. In other words, follows one or more of the Works of Mercy. At school you will be writing a “newspaper article” about this person. This is similar to the saint report notes---don’t write a paragraph, just get information so you can write your paragraph at school. Your notes should include the following.

- **Accurate** spelling and detail so you can write a paragraph at school.
- **Who** the person is---how you know them
- **How** the person cares for people. Be sure to give **clear examples** of how what they do.
- **Compare** this person’s actions with what Jesus might have done in a similar situation.
- Think of a **catchy headline** you might use for this article.

Due on or before Monday,
November 16th
