

4th Grade is going "GREEN"!

This year in Music, the 4th Grade will be using a recycled "Yamaha" brand soprano recorder (Baroque fingering). You may be wondering about the cleanliness factor - they have been properly sanitized for your child's safety. The instruction booklets are also gently used, and will see us through another year. These "loaner" items are being provided free of charge and are to be returned at the end of the school year. *Permanently misplaced items will incur a charge of \$6 each for replacement.* Please note: **your child will receive a recycled set unless you indicate otherwise***.**

In addition, students may **order and purchase a NEW recorder and/or instruction booklet for \$6 per new item.** Many students benefit by having a *second set* wherein one set stays at home for practice and the other set stays at school ready for music class (**4A: Wed & Thurs; 4B Thurs & Fri**).

Please complete the form below, detach, and return by the week of **September 16**. If you have any questions regarding any of this information, please contact Ms. Mudge at jmudge@holynosaryws.org. Thank you!
