

Oral Biography Presentation Reflection

My Name _____ / _____

I Presented As _____

Reflect on all the work you did for your oral biography presentation. You should think about the books and resources you used, the costume and props you put together and the actual presentation to answer the following questions. Please answer all questions in complete sentences. **Restate the questions.**

1. What did you like best about doing this project and WHY?

2. What was the most challenging part of the project and WHY?

For the next two questions reflect on how well you knew your information, voice projection, eye contact, gestures, personality and how well you knew your material as you presented to the class. **Use complete sentences and restate the questions.**

3. I believe I did my best on (and why) ...

4. If I could do my presentation over again I would (change, add, take out) and why?
