

Dear 4th Grade Families,

For over 25 years the 4th grade students have been delivering certificates of appreciation during Catholic Schools Week to the local businesses that support our school. Each year we design a new certificate. This year we thought it would be fun to offer the students a chance to design a certificate for us to use.

If your child is bringing home this letter, they showed interest in creating and submitting a design. We have provided cardstock paper for final submissions.

Certificate guidelines:

The students will only be creating a background picture, we will be adding the words for the certificate after we have chosen. The background should:

- Be a drawing of the front of Holy Rosary School.
- It should take up most of the cardstock provided.
- It should be colored or painted--but **not too dark** as we want people to be able to read the text we add.
- Submissions are **due by Monday January 8th.**

Let us know if you have any questions. We have some very creative students and we are hoping to have some wonderful submissions.

Thank you--

Ms. Simpson and Ms. Tyer

On the back you will find some pictures of the front of the school to inspire--feel free to take your own pictures as well!
